

## INSTALLING PODD ON GRID 3

### Your delivery note

On your delivery note you will find your codes for the PODD Grid Set

For example

G3-PODD15	PODD15 and PODD60 grid sets	PODD15 and PODD60 grid sets single user license (the Grid 3 required, and not included). Licence key : VENPD-96175-_____	1.00
-----------	-----------------------------	---	------

### Installing licenses

If you have ordered a new device, then Link Assistive has already installed and licenced the software for you.

To install licences on an existing device you will need to complete the following steps:

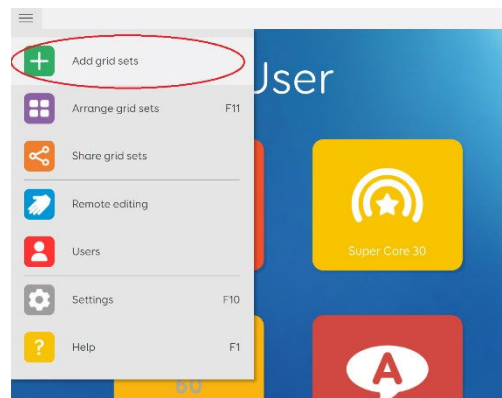

- Go to the licence manager to enter the licence keys
  - Go to the **Windows Start Menu**
  - Go to **Smartbox**
  - Got to **Licence Manager**
  - Enter the code and select **activate**

### Adding PODD Grid Sets

To install the PODD grid sets first licence the grid sets using the above instructions. Then complete the following steps:

- Connect your device to the **internet**
- Launch Grid 3
- Create a user following the on screen set up wizard
- See Smartbox website for step by step instructions:  
<https://thinksmartbox.com/smart-support/learning-resources/grid-3-getting-started/>
- Once the user is created you need to add the PODD Grid Sets
- Go to the **Grid Explorer**

- Select the menu on the top left
- Select **Add Grid Sets**
- Double click to select **Symbol Communication**
- Scroll down to find **PODD**
- Select the PODD Grid Set you want to install

If you need the **Eye Gaze PODD Grid Sets**, select the Grid Set as above but wait until you see the **Alternative Version** below
