

HOW TO USE YOUR ITUNES VOUCHERS

If you require assistance, please contact our tech support to book a time on 08 7120 6002.

Instructions

Your speech case bundle has come with iTunes vouchers for you to redeem and purchase your chosen communication app.

Follow these steps:

1. Set up your iPad as you usually would following the onscreen prompts. The Apple website provides step by step instructions: <https://support.apple.com/en-au/HT202033>
2. Ensure you set up your Apple ID.
3. Redeem the gift card/voucher: <https://support.apple.com/en-au/HT201209>
4. Find your chosen app by searching the App Store: <https://support.apple.com/en-au/guide/ipad/ipad9b4cea76/ipados>
5. Purchase the app and set up your software
6. Some apps also include an in-app purchase eg PODD pages sets (TD Snap), TouchChat voices

In-App Purchases

1. Ensure that in-app purchases are enabled within your iPad settings.
 - Tap Content & Privacy Restrictions. If asked, enter your passcode, then turn on Content & Privacy.
 - Tap iTunes & App Store Purchases.
 - Tap In-app Purchases and set to Allow
 - You can then change it back to Don't Allow once you have purchased
2. Open your app and follow any prompts for in-app purchases. For example:
